THE BOUTIQUE TRADE SHOW FOR HIGH-END RUG BRANDS RETURNS TO THE WEST COAST

at SURFACES, Mandalay Bay Convention Center, Las Vegas
www.thecoverconnect.com

Following the success of COVER Connect Las Vegas 2023 at SURFACES, the second edition of this event will be held at Mandalay Bay Convention Center in January 2024.

Curated by COVER magazine, a select group of brands will again showcase some of the highest quality rugs on the market today. COVER Connect Las Vegas offers a new audience of buyers and industry professionals the opportunity to source the most sought-after traditional, transitional and contemporary rugs in an exclusive pavilion within SURFACES. For 2024, the pavilion has been relocated to a highly desirable premium position next to a major walkway in alignment with a main entrance—and near brands like Prestige Mills, Stanton Carpet, Couristan, and Kaleen—to optimise crossover business.

Along with StonExpo and TileExpo, SURFACES is one of three well-established, world-class trade shows that make up The International Surface Event (TISE)—the largest North American floor covering, stone, and tile industry event and ‘THE industry marketplace for buyers, specifiers, and influencers to source products, gain design inspiration and develop their businesses’.

Visit to gain access to all the latest rug collections, fresh off the loom, from a select group of dynamic brands, at the start of 2024!
